ABSTRACT

This year, a number of learned reviewers and English language editors make critical contributions to the Journal of Sher-e-Bangla Agricultural University (JSAU) by reviewing and editing manuscripts with their respective field of specialization. This year, we acknowledge 15 such reviewers and language editors who reviewed and edited the article for Volume 15, No. (1&2), 2024. These learned reviewers and

language editors include senior Professors, Junior Professors, Assistant Professors and senior researchers of reputed Universities and research organizations who are still doing a great job in their professional lives. Some of the reviewers include early career university teachers and Junior researchers. I want to thank you all for committing some of your precious time to review and edit for JSAU.
